# CADIZ

Founded by the Phoenicians over 3,000 years ago, Cadiz is considered to be the oldest existing city in the western world. Due to its prime location on a peninsula-island, Cadiz has long been one of Spain's premier ports. While its famously wild Carnival celebrations have certainly put Cadiz on the map, this city's biggest draw is its laid-back, easy-going atmosphere. Great beaches, sweeping views of the sea and long, palm-lined promenades complement the town's lively bars, fantastic museums, bustling commercial activity, and jaw-dropping Cathedrals typical of any prized European city. Cadiz is in a league all of its own... it's no wonder tourists and residents alike find it so hard to leave!

"From the very first day, I felt right at home, exceeding all my expectations. I loved the great classrooms and small groups... big, light rooms create a friendly and cozy atmosphere. I miss the city, the teachers and the friends that I made in Cadiz every day!"

# GRANADA

You will fall in love with Granada right away. It has an undeniable energy complete with beautiful Moorish castles, Christian cathedrals, unique homes built inside caves and hidden cobblestone streets at the foothills of the snowcapped Sierra Nevada. Francisco de la Caza, a Mexican poet, famously captured our sentiment in his quote: "Give him alms, woman, for there is nothing worse in life than to be blind in Granada." Besides its history, architecture and beauty, what truly makes Granada an ideal destination to study Spanish is the local Andalusian people, who are laid-back, friendly, warm, welcoming and always up for party. Sierra Nevada is a great ski resort and the beach is less than one hour away. Our recommendations? Go out, get lost and explore this magic city!

"Granada is a very special and welcoming city where you can walk everywhere. My favorite place, without a doubt, was the Mirador de San Nicolás (lookout), with views of the magnificent Alhambra and the city. I also won't forget how generous the bars were with their servings of tapas... I'm going home feeling so alive!"

# MALAGA

Malaga is Spain at its best: sunny, lively and fun. You'll wake up to clear blue skies, the golden sun and the refreshing scent of green palm tree leaves and the Mediterranean's salty air. It is a city where you can explore ancient ruins and go out for an avant-garde meal all in the same day. It has been reinvented in recent years without losing any of its history or old-world charm. From clapping your hands and swishing your skirts (or stomping your feet) along with the jaw dropping flamenco you'll see; to savoring a cup of gazpacho so bursting with flavor you wouldn't believe it's made from so few ingredients; to exploring the incredible Spanish art at the museums that fill the city; to getting your hands dirty on a hike into the beautiful surrounding hills... Malaga is a place that will exhilarate you as you learn Spanish.

"I was lucky to have been able to learn Spanish in one of the school's outside classrooms since the weather and the beaches were great. The best part of learning Spanish in Malaga is being able to interact with so many Spanish people from there. The people there are very open and friendly!

# SALAMANCA

Salamanca's sandstone buildings glow golden throughout the day, reminding us that underneath its lively college atmosphere it has a remarkable history that dates back to the third century. As a relatively small city, Salamanca is conveniently walkable, full of impressive sites and alive at all hours of the night thanks to Spain's oldest university and its Spanish and international population. And great news for Spanish learners-most people consider the dialect spoken here to be the purest form of Castilian! Located just two hours from the capital city of Madrid and just under three hours from Toledo (another UNESCO World Heritage Site) Salamanca is the perfect city to explore nearby landmarks and surrounding villages, mountains and lakes.

"My time at Enforex was a truly amazing Experience. It was not just a language school, but a diverse community where people of all ages, backgrounds and nationalities brought a story to tell. We eventually learned how to tell these stories in Spanish, and could even use the correct conjugations!"

# SEVILLE

Study Spanish in Seville and dive head-first into all the heat of the flamenco dance, color and passion of Andalusia's capital city. Seville is the exotic, sultry, slow-burning ardor of Spain. The city is alive with history and pulsing with culture: just let your senses guide you! From its unique Islamic and Mudéjar architecture, brightly-tiled patios and rustic Jewish quarter; the clickety-clack of horses leisurely drawing carriages and the impassioned wails of Flamenco singers; the fragrant smell of orange blossoms on picturesque, tree-lined streets. There's nowhere else in the world quite like it. Come experience Seville for yourself and be seduced by the city's old-world charm, lively color and irresistible charisma.

"Seville is amazing and lively. The people are very welcoming and warm and they even showed me how to dance flamenco. Ole! "

# VALENCIA

Valencia is a city that will enchant you with its young, hip vibe and then pull you deep into Spanish with its history, tradition, pride and old-world Spanish feel. Amazing street art juxtaposed with incredible ancient architecture give you a sense of the artistic side of this city; fields filled with fresh fruit and vegetables and horse-drawn carriages give you glimpses into Spain's past; saffron-bright paella and cool, sweet horchata teach you Spanish through taste. From the indescribable light in the afternoons, to its heart pounding festivals (la mascletà during las Fallas is something that can only be felt), to the captivating, Star-Wars-picturesque City of Arts and Sciences, Valencia is a place where you will learn Spanish through experience.

"When it comes to the school, I loved that there was so much natural light in the classrooms with a nice garden and it is next to the University of Valencia. When it comes to the city, I decided to choose Valencia because it was a big cultural city with nice beaches but relaxed at the same time. The teachers brought us to new places all the time, each one more beautiful than the last!"

# LANGUAGE CLASSES

**SPANISH OR ENGLISH CLASSES**

Enforex has developed its own teaching methodology which has proved to be very successful. Our teaching approach is designed to build each student's confidence and fluency in speaking Spanish naturally and spontaneously.

This teaching methodology is inspired by project-based learning which develops not just linguistic skills in the context of language immersion, but also essential strengths such as critical thinking, creativity and teamwork. In addition, we offer a great framework to make language learning more fun and enjoyable at any age.

## EXCEPTIONAL TEACHERS

We know the difference a great teacher makes in language learning. All of our teachers hold specialist teaching qualifications and have an average of eight to ten years of teaching experience. Their enthusiasm, creativity and dedication to students' success is what makes Enforex teachers stand out.

## EARN A LANGUAGE CERTIFICATE

Each student will receive a certificate and detailed evaluation on their last day of camp.

## INNOVATIVE AND PERSONALIZED TEACHING METHODOLOGY

Our proven teaching method is based on project and action learning. A hands-on method where students gain confidence and enjoy learning Spanish while working on real-life projects.

Students will work in teams, brainstorm about their project, evaluate solutions, assign roles to each member, decide on the media in which to present the project (video, photos, poster, presentation, etc.), choose the materials needed, budget and manage their time. Meanwhile, they learn and improve their leadership skills, teamwork, communication skills, emotional intelligence, and confidence.

# CHOOSE YOUR PROGRAM

## RESIDENCE CAMP

The residential stay embodies the essence of our summer language camp philosophy: by living and being mixed with 100% Spanish and international students, studying, playing and practicing languages together 24 hours a day in a totally multicultural environment, campers will learn interpersonal and linguistic skills to last a lifetime. When they choose our 'star' program, Spanish and international campers are only separated during the morning language classes.

## DAY CAMP

This option is perfect for campers who live nearby or are traveling in Spain with their families. Students will be able to enjoy fun activities, language classes and new international friends during the day and return to their families in the evening. Students still reap the same great benefits as overnight campers when they are at camp.

## HOMESTAY PROGRAM

Students 14 years of age and up can choose to become part of a Spanish family with our homestay program. This is a great option for students who are interested in a truly authentic Spanish experience. All of our enthusiastic families are carefully selected in order to ensure that they share the same core values as we do and are friendly, welcoming and passionate about helping our students learn and grow from their Enforex summer.

Enforex's conditions do not apply to partner schools. Each partner school has its own conditions. For more information, please contact our Head Office.

Enforex reserves the right to use all photos and videos taken during the student's stay. Students should be aware that they may appear in IEG's or partner's promotional material, unless the student expressly states he/she does not wish to appear upon arrival at the school.

The published offers cannot be accumulated. All offers are subject to availability. There will be no changes made to bookings that have been received prior to the promotion. All offers and promotions will be applied upon enrollment. Discounts that became available after the first enrollment are not valid.

The application fee is valid for one year from the first reservation made for all IEG schools in Spain and Latin America. In other words, any courses reserved during a 12 month period can be made using the same application fee.

In the exceptional case that only 1 or 2 students are enrolled in a course in the same level, the school reserves the right to convert the course into a private or semi-private program which will result in a 50% reduction of class hours.

In cities where programs are also available at other schools with Ideal Education Group, classes can be combined at any time.

Any complaints must be submitted in writing and within the first 24 hours [help@enforex.com](mailto:help@enforex.com). This ensures that we can take care of the issue as soon as possible and seek a quick resolution. Only complaints made during the student's stay have the right to any possible compensation, refund or changes. Any complaints made after departure will only be accepted as suggestions in order to improve our services.

#### COURSE ACCREDITATION

A personalized Enforex certificate will be issued for studies in accordance with the guidelines established by the Instituto Cervantes and the current legislation regulating non-accredited education.

This certificate will contain the name of the course taken, course level and number of hours completed. The name of the school in which the class(es) were given, dates of enrollment and level achieved will also be included.

This certificate is not valid as an official document in accordance with the legislation regulating non-accredited education.

Course verification will only be issued to students who attend at least 85% of their classes.

#### CREDIT NOTES

Credit issued due to exceptional circumstances is only valid for up to 12 months from the date of issuance. Once the 12 month period ends, the

student loses the right to the credit or refund. Credit is valid only for the geographic region for which it was issued (i.e., credit issued for Spain is not valid for programs in Latin America) and is nontransferable to other students.

Credit note can not be converted into a refund.

#### ACCOMMODATION

For registrations received a week or less prior to the beginning of a course, Enforex does not guarantee the type of accommodation desired and requested by the student; priority is given to students who register further in advance.

In the event that a student is not satisfied with the assigned accommodation for any justifiable reason, the student may move to another accommodation of the same type (up to 3 changes allowed). Students wishing to change accommodation arrangements should notify the person in charge during their first day of the program.

All students should inform Enforex or the host family in advance of their approximate time of arrival. In the event that one of the previously mentioned parties is not contacted, Enforex will not be held responsible for greeting or picking-up the student upon arrival.

Enforex does not guarantee accommodation for the family members or friends of enrolled students, as priority regarding available accommodation is given to Enforex students.

If a student decides that he/she wants to postpone or take a break from any program for unjustified personal reasons, he/she will lose any right to a monetary refund, and the course will not be made up.

The student will be charged for property damages caused either intentionally or through negligence.

If there is damage and no one is directly responsible, the cost of repairs will be divided among all students in the apartment or residence.

At Enforex, respect for others and for the rules is essential for our programs to run smoothly. Students' failure to follow the established rules will be grounds for withholding the accommodation security deposit. Some examples of behaviors that merit forfeit of the accommodation deposit include: having guests stay overnight, making loud noises, smoking in the bedrooms, having parties, consumption of alcohol, consumption of any narcotic or harmful substance, and any other conduct that Enforex management considers inappropriate.

In the case of a serious disciplinary offence or repeated bad behavior, the student will be expelled from the accommodation contracted with Enforex without the right to a refund.

Apartments and student residences may be substituted by other types of accommodation, at the same price, during the high season.

If you reserve a shared double room (shared with another student) and there is no other student with whom you can share the room, we reserve the right to change your room at any time.

#### GENERAL COURSE CANCELLATIONS AND CHANGES

##### ENFOREX COURSES CANCELLATIONS

All program fees must be paid at least 4 weeks prior to arrival otherwise Enforex reserves the right to cancel the student's placement.

All refunds, under any circumstances, include an administration fee to cover the administrative costs of processing a refund (a minimum of € 65 / \$ 90), along with the standard fee for reservation changes (9% + € 210 / \$ 250). Refunds of less than € 100 will be paid via check issued in Spain at no extra cost if the student is still in Spain. If the student is outside of Spain, the refund will be paid by bank transfer and will include a minimum € 35 administration fee.

All students who wish to cancel their program (course and/or accommodation) prior to arrival should notify Enforex in writing by e-mail [registration@enforex.com](mailto:registration@enforex.com) or by certified mail. For each change before arrival to your confirmed booking (start dates, program, or services) for programs in Spain and Latin America € 35 / \$ 35 will be charged for administrative costs.

Changes of destination, school, accommodation or program are free for courses in Costa Rica (Santo Domingo de Heredia), Ecuador, Mexico, and Spain (subject to availability, paying the price difference if applicable). For all other changes to your confirmed reservation for programs in Spain and Latin America € 210 / \$ 250 will be charged for administrative costs, at any time after arrival. #### PARTNER SCHOOLS AND THIRD PARTIES CANCELLATION

Participants that cancel their Spanish + Internship or Volunteer program at IEG schools in Spain or Latin America, or any program at partner schools in Latin America, or a private apartment or hotel reservation, up to 4 weeks before it is scheduled to begin will be charged a € 500 / \$ 600 cancellation fee. #### USEFUL INFORMATION

##### VISAS FOR SPAIN

Citizens of countries belonging to the European Union do not need a Visa to enter Spain.

Students coming from other countries should obtain information regarding the requirements for obtaining a Visado (Visa) at their nearest Spanish Embassy or Consulate. The certificates that accredit and confirm the enrollment in a Spanish program at Enforex can only be signed, sealed and sent by people authorized by Enforex, who will not be responsible for rejected visa applications, as these certificates do not hold any official validity, but serve only as confirmation of a course to be taken at one of our schools. Such documents will only be sent to cover the amount of course time initially contracted by the student. Enforex will send out, free of charge and to any student who asks for them, the following documents (if and only if the total cost of the program has been paid):

Confirmation of the Spanish program chosen by the student.

Invoice for the total cost of the program in question (course + accommodation).

In the event that the student should urgently need the originals of any of these documents, Enforex will send them and charge the cost of express mail to the student.

If a student visa is rejected Enforex will charge the student € 100 per invitation letter sent, the € 210 / \$ 250 deposit and any additional basic costs. The student must show Enforex formal proof (original copy) that their visa application has been rejected in order to receive the refund. If this copy is not received by Enforex, 100% of the cost of the program will be charged.

Any refund from Enforex will include a 9% charge + € 210 / \$ 250.

##### OPTIONAL INSURANCE

Students are not covered for any illnesses, accidents, loss of personal property (neither at their accommodation nor in or out of the classroom). Enforex recommends the use of optional insurance, which is available to all students who wish to purchase it.

#### AIRPORT TRANSFER SERVICES

Flight information (place, date, hour and flight number) must be confirmed in writing at least one week prior to arrival. Otherwise, Enforex will not be held responsible for picking-up the student at the airport and there will be no refund.

If the student cancels airport transfer service less than one week prior to arrival, he/she will lose the right to a refund of the cost of that service.

In the event of delays or changes in flight information without previous notification, Enforex will not be held responsible for picking-up the student at the airport and there will be no refund.

#### HOLIDAYS

Please check for updated holiday information before planning your trip to Spain (see page 16). [www.enforex.com/holidays-spain.html](http://www.enforex.com/holidays-spain.html)

Classes missed due to national or local holidays will not be made up or refunded. When more than one holiday falls in the same week (Monday - Friday), either one day of the missed classes can be made up or a 10% discount will be applied to the corresponding course week price; if students prefer to receive the discount they must notify us at the time of enrollment. One-to-One classes will always be made up.
